

STUDENT ASSESSMENT REPORT

Name: Mohammed Nizamudeen

Date: 22/07/2026

Class: 10B

ID: S003

SUBJECT SCORES

Subject	Score
Mathematics	63
Science	55
English	71
Social Studies	68
Computer Science	65

Percentile: 45 | Attendance: 74%

PERFORMANCE SUMMARY

Mohammed Nizamudeen shows a moderate academic performance in Class 10B, achieving his highest mark in English followed by Social Studies. However, an overall percentile of 45 and a 74% attendance rate indicate that improving class participation is essential for better results.

STRENGTHS

- Strong verbal and analytical skills in English (71)
- Solid understanding of concepts in Social Studies (68)
- Fair logical foundation in Computer Science (65)

IMPROVEMENT AREAS

- Science performance (55) requires immediate attention and targeted support
- Mathematics (63) requires consistent daily practice to build problem-solving confidence
- Class attendance (74%) needs significant improvement to ensure no core concepts are missed

RECOMMENDATIONS

- Aim for an attendance rate of at least 85% to stay aligned with the classroom curriculum
- Allocate an extra 45 minutes daily specifically to revise Science and Mathematics concepts
- Engage in active group study or seek teacher support for difficult STEM topics

CAREER GUIDANCE

Mohammed shows potential in humanities and technology-related fields like Communications, Media, or Information Systems. Strengthening his core quantitative skills will further expand his options in tech-driven domains.

OVERALL INSIGHT

Improving classroom attendance and focusing on core STEM subjects will be key to elevating Mohammed's overall academic standing.
